

Product Warranty

Beclawat warrants their manufactured products against defects in material and workmanship for a period of one (1) year from the date of invoice from Beclawat to the Customer.

Beclawat's obligation under this warranty is limited to replacing, at Beclawat's manufacturing plant, any part or parts which are deemed to be defective upon examination by Beclawat.

If the windows or doors covered by this warranty are deemed to be defective, Beclawat will repair or replace the defective part(s). Beclawat will provide the repair or replacement part(s) to the Customer free of charge; except as otherwise provided for herein.

This limited warranty specifically excludes any liability for consequential or incidental damages or loss of profits. This limited warranty does not cover labor, shipping expenses or other costs associated with the installation or removal of products for repair or replacement. There are no warranties granted other than as expressly provided.

This Warranty is in lieu of all other warranties or conditions, express or implied, including, but not limited to, warranties of merchantability and fitness for particular purpose. No other warranties, express or implied, are given.

In respect of any claim concerning the performance or non-performance of the manufactured products, or arising out of the use of the manufactured products, including injuries to persons or damage to property, Beclawat's liability hereunder shall be limited to and shall not exceed the cost of the manufactured product to the Customer, whether such action be in contract or tort, including negligence and specifically including gross negligence on the part of Beclawat.

1. Insulated glass products (covered by separate warranty).
2. Breakage of tempered or laminated safety glass.
3. Product that is altered or abused or installed in unusual, abnormal or extreme locations or situations.
4. Improper or incomplete finishing (painting) of all surfaces or failure to provide reasonable maintenance.
5. Discoloration caused by weathering.
6. Damage to glass caused by weld splatter, protective coating removal, sanding or improper washing.
7. Condensation on windows due to interior humidity and resultant water damage.
8. Custom finishes.

10. Damage due to exposure to conditions beyond published performance specifications.

Upon inspection and verification of defects deemed to be the responsibility of Beclawat, repairs or replacement will be produced in a timely manner and the product shipped back to our Customer at Beclawat's expense. However, if the returned product is deemed not to be the responsibility of Beclawat, Beclawat will advise the Customer of any repair/replacement costs. Products not deemed to be the responsibility of Beclawat will be returned "as received" and will be shipped back to customer at the customer's expense.
