## STRENGTH

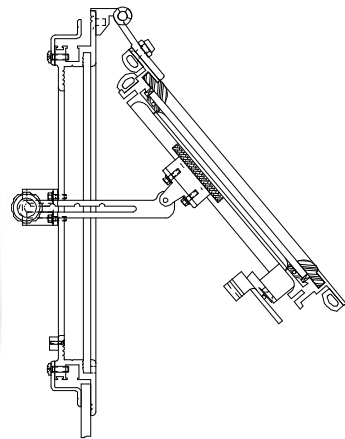

### 72010 - Full Hinged Out Vent Clamp-on/Bolt-on

This light marine full hinged out aluminum window is available in custom shapes and sizes. The cam locks are a white bronze and the standard quadrant arm, "hold opens," are made of stainless steel. This window has a clamp or bolt-on style frame. It will suit a glass thickness of 5-6mm.

Pictured window has a black anodized finish frame with radius corners. Optional gas strut can be used to hold open the window. Other finishes and tinted glass are available.
