## 90042 - Aluminum Sliding Weathertight Door

This sliding aluminum weathertight door has an aluminum bolt-on style frame with hidden mount fastening. The framed window is available in thicknesses of 6-19mm with various tinting options.

The latch lock has a one-hand operation. All doors come equipped with a hold open latch.

Pictured door has a mill finish with square corners. Other finishes are available.

The window has clear tempered glass.
